

An abstract painting featuring a vibrant palette of blue, white, and red. The composition is dominated by bold, expressive brushstrokes. A large, dark blue area occupies the upper right, while a bright white area with scattered black dots and red splatters occupies the lower left and center. A vertical red stripe is visible in the upper left corner. The overall effect is one of dynamic energy and emotional intensity.

Anna Bantan

Ukraine is famous for its talented people who are worth to be shown to the whole world. The activity of «SKY ARTS PRODUCTION» company is aimed at investment and promotion of these young gifted Ukrainian artists and photographers.

We are glad to present you oeuvres of Anna Bantan, Ukrainian artist and photographer. For a long time she developed her skills in photography and in 2013 she began oil-painting in abstract manner. In her works Anna uncovers her true emotions, feelings and ideas. The series of paintings was created in the difficult period our country is currently going through. Anna Bantan lives in Marioupol city, Donetsk region, where military actions are lately taking place leading to sufferings and deaths of the civilians. Creating her paintings Anna expressed all her emotions and ideas on canvas, using brush and oil to show the real experience and for us it's a moral duty to reveal this endowed artist to the world.

We consider that our cooperation with your gallery will become a promising start of our international experience and bring us mutually fruitful results. We are open to all your proposals and suggestions.

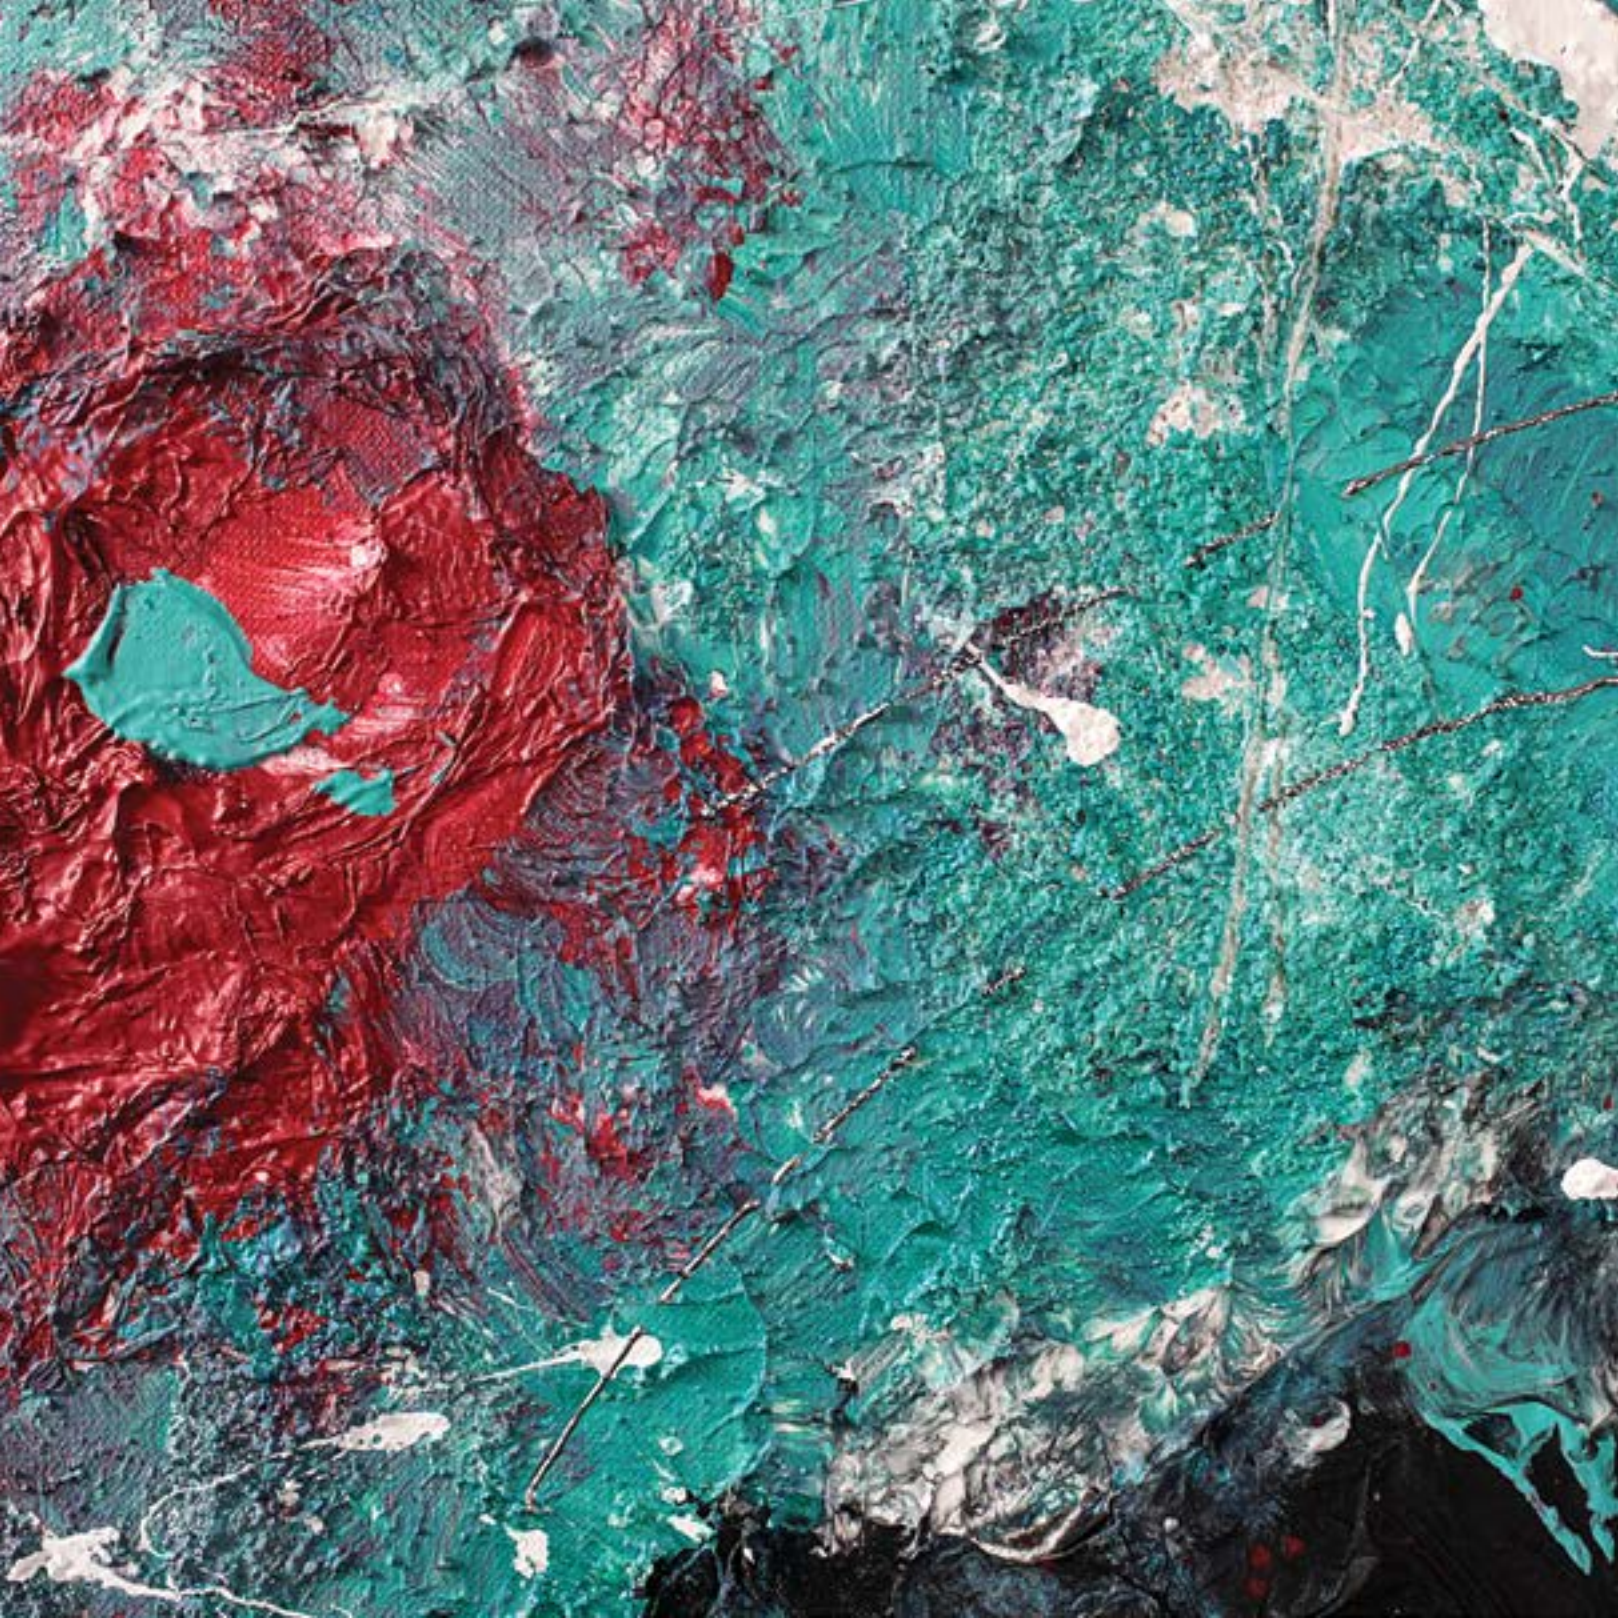

«SKY ARTS PRODUCTION» company is looking forward to establish warm and successful relations with your gallery.
